DEVILS FOR GOOD

DRIVING SUCCESS THROUGH INNOVATIVE SOLUTIONS

PROBLEM STATEMENT

Develop a platform for NGO Navsanjeevan to streamline operations, focusing on data collection, real-time monitoring, progress tracking for youth/individuals, reducing manual work, and showcasing case studies/testimonials.

SPECIALLY CURATED SOLUTION:

PROBLEM:
DATA COLLECTION

SOLUTION:
HIERARCHICALLY
BRANCHED DATABASE
FOR ACTIVISTS, ADMIN,
BENEFICIARIES

PROBLEM:
MONITORING PROGRESS

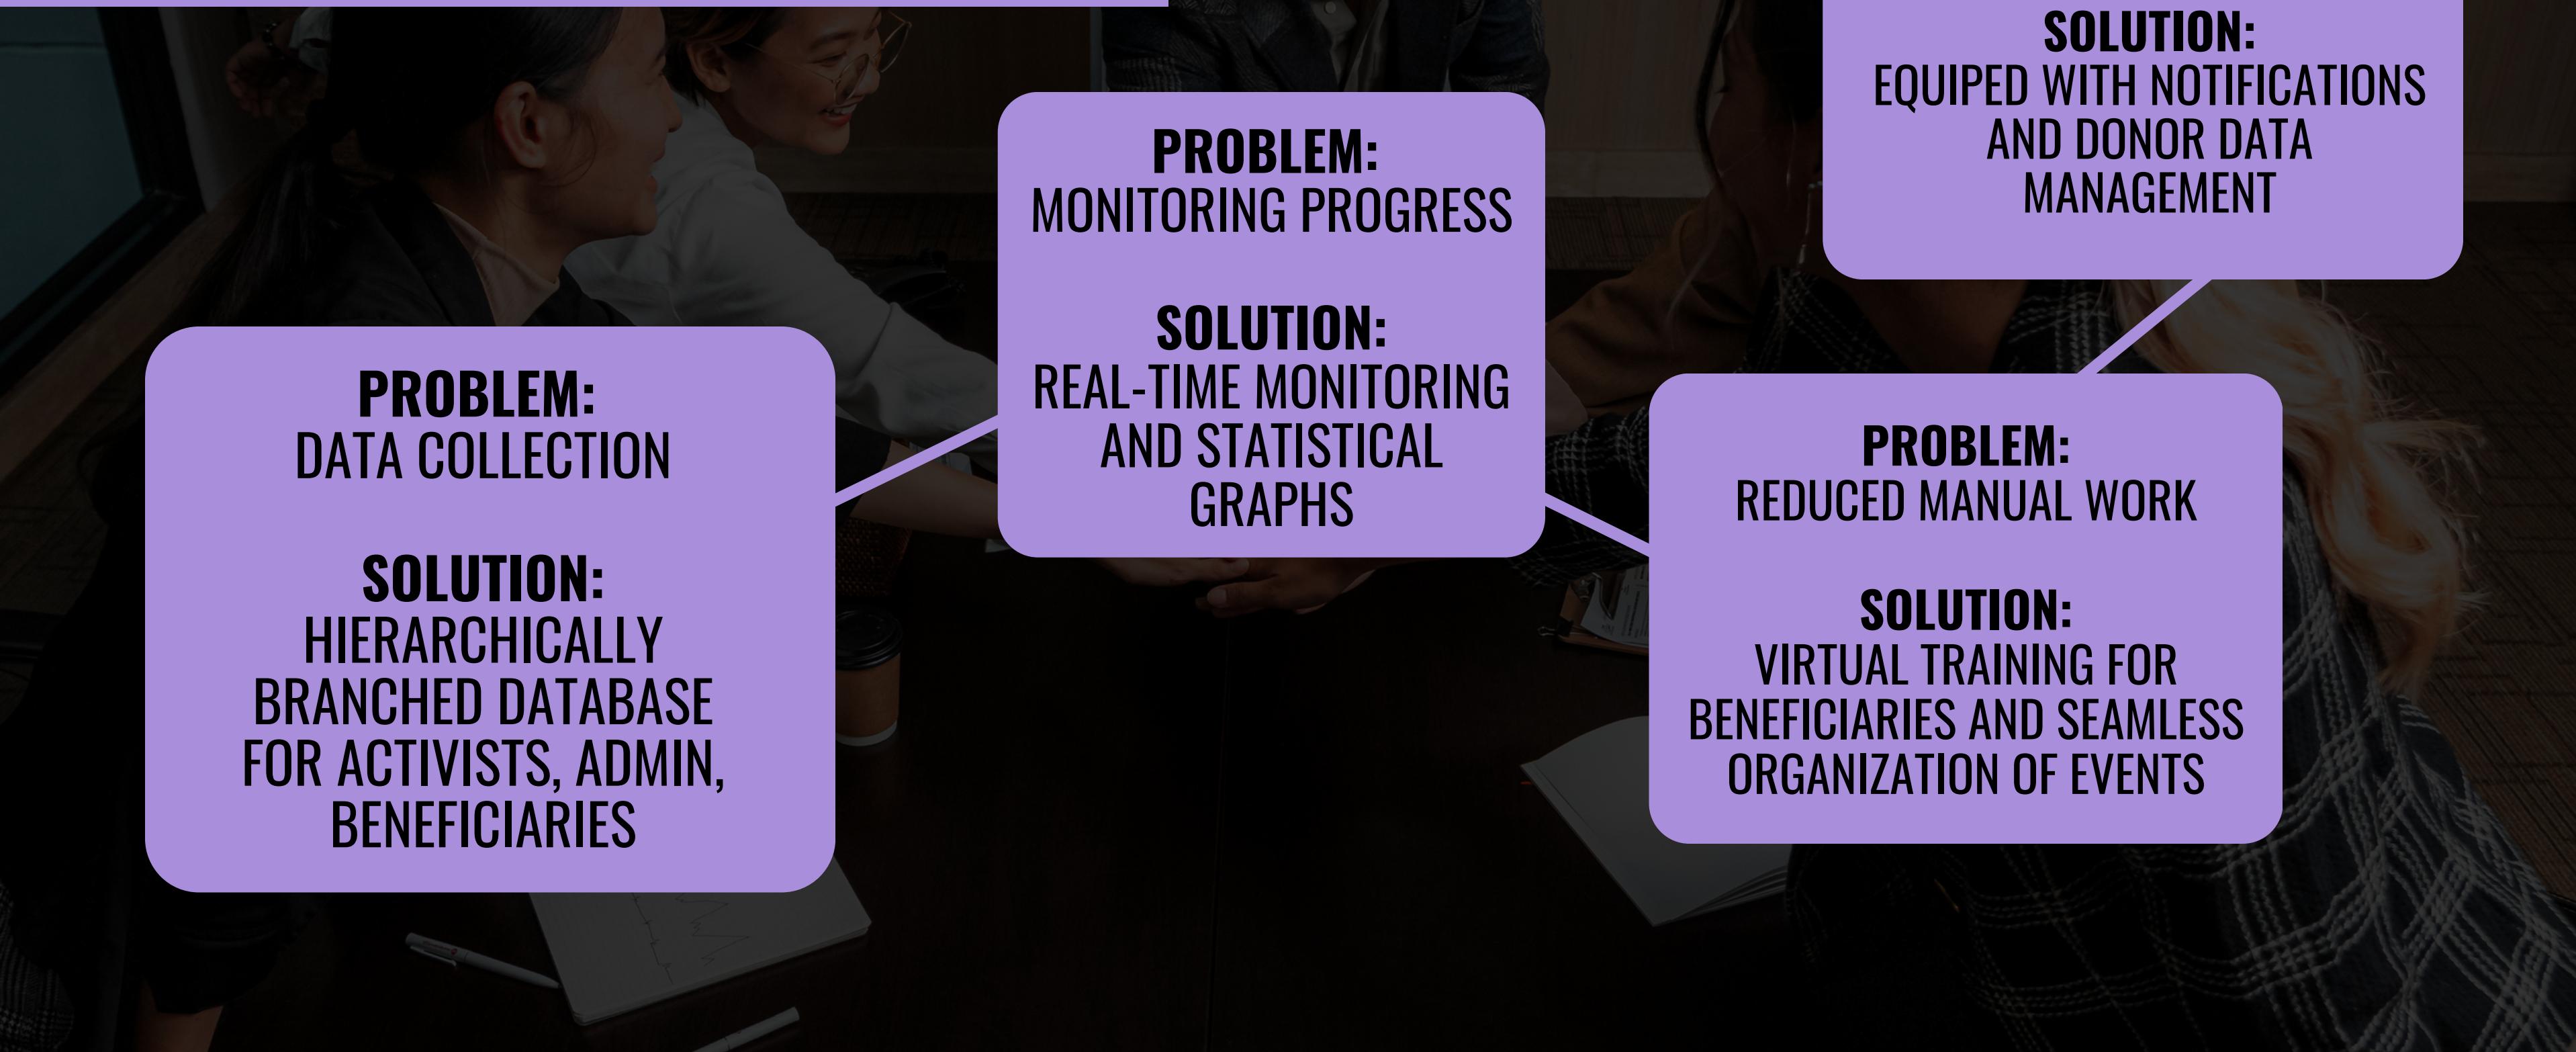

SOLUTION:
REAL-TIME MONITORING
AND STATISTICAL
GRAPHS

PROBLEM:
REDUCED MANUAL WORK

SOLUTION:
VIRTUAL TRAINING FOR
BENEFICIARIES AND SEAMLESS
ORGANIZATION OF EVENTS

PROBLEM:
FUNDING

SOLUTION:
EQUIPED WITH NOTIFICATIONS
AND DONOR DATA
MANAGEMENT

FUTURE SCOPE:

- 1. Testimonies:** We had initially planned a "blog" feature where the beneficiaries would have been authorized with a platform where they would share their success stories and testimonies.
- 2. Bilingual chatbot:** User friendly feature for beneficiaries from rural areas by leveraging the power of Google API
- 3. Easy mobilization of data:** Import data directly from excel files, so as to increase the scalability
